Architectural Designer / Architect

Cordtsen Design Architecture is a firm like no other: teamwork, fast-paced, faith-based, and core values-focused. Design creative, inspired buildings while living and working in America's resort town, Newport, RI. Every day is a dream come true.

[Cordtsen Design Architecture](#) is seeking to add a new Architectural Designer / Architect to our mid-sized firm located on the Newport, RI line. We are a full-service architecture firm committed to collaborating with clients from vision to completion, focused on creating beautiful, timeless designs fully customized for our clients' needs. With every project, we aim to raise the bar, challenge industry norms, and take an intuitive approach that allows us to follow the best path forward. We are a faith-based, energetic, engaged firm with a strong culture, aspiring individually and as a team to a set of core values.
